

January 15, 2010

Dear Parents,

In recent months, MFS and the Red and Blue Club have been developing plans to offer school apparel to the community via an online school store. Three annual sales will take place throughout the school year coinciding with each sports season. While we are hopeful that the online store will be up and running for our spring sale, we will be conducting a winter sale using a paper order form. Merchandise includes sport-specific gear and general MFS gear. Please note that sport-specific gear will only be sold once a year. **This winter sale will be your only opportunity to purchase basketball, fencing and swimming apparel.**

This is a wonderful opportunity to display your MFS pride!

Warm Regards,

Danielle Dayton
